A dialogue box is opened when choose file is clicked for uploading an image

If any field is left empty, a popup on the field is shown and also changing the borders of the field to red.

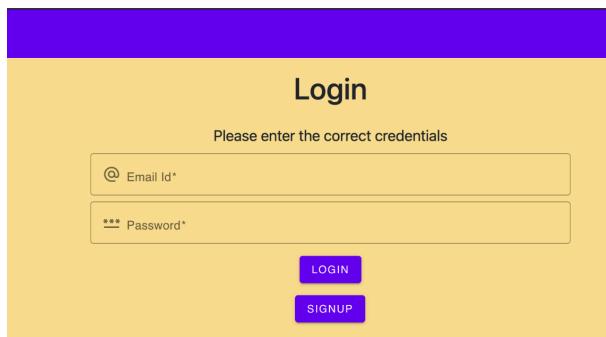

When filled completely the user should be redirected with a proper message on the page.

Customer Login

While Logging in, if incorrect credentials or the fields are left empty, a suitable message is displayed

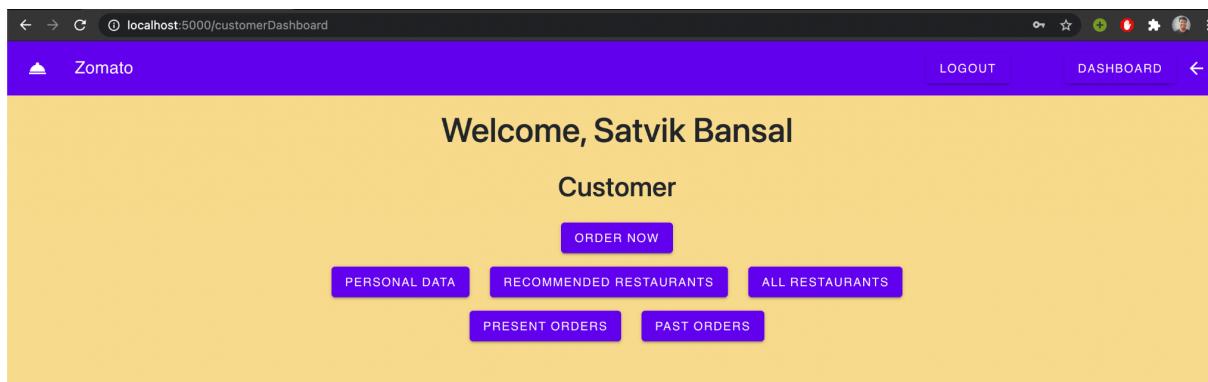

The screenshot shows a login page with a yellow background. At the top center, the word "Login" is displayed. Below it, a message says "Please enter the correct credentials". There are two input fields: one for "Email Id*" containing "@ Email Id*" and another for "Password*" containing "*** Password*". Below the fields are two buttons: "LOGIN" and "SIGNUP".

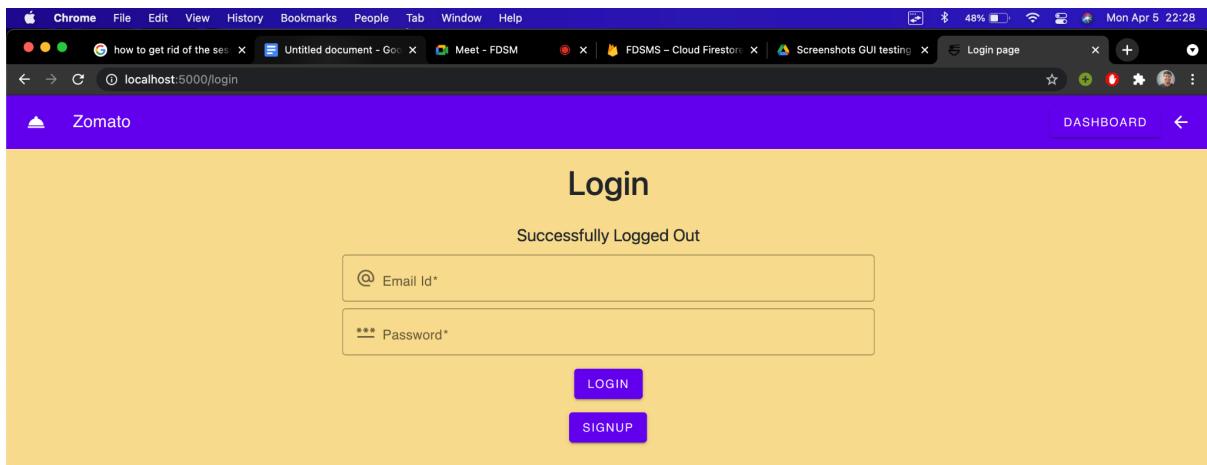

The screenshot shows a login page with a yellow background. At the top center, the word "Login" is displayed. Below it, a message says "Signup was Successful. Please Login". There are two input fields: one for "Email Id*" containing "@ abc@gmail.com" and another for "Password*" containing "*** |". A red error message box appears below the password field with the text "Please fill out this field." Below the fields are two buttons: "SIGNUP" and "LOGOUT".

When the correct credentials are added, the user is redirected to the suitable dashboard.

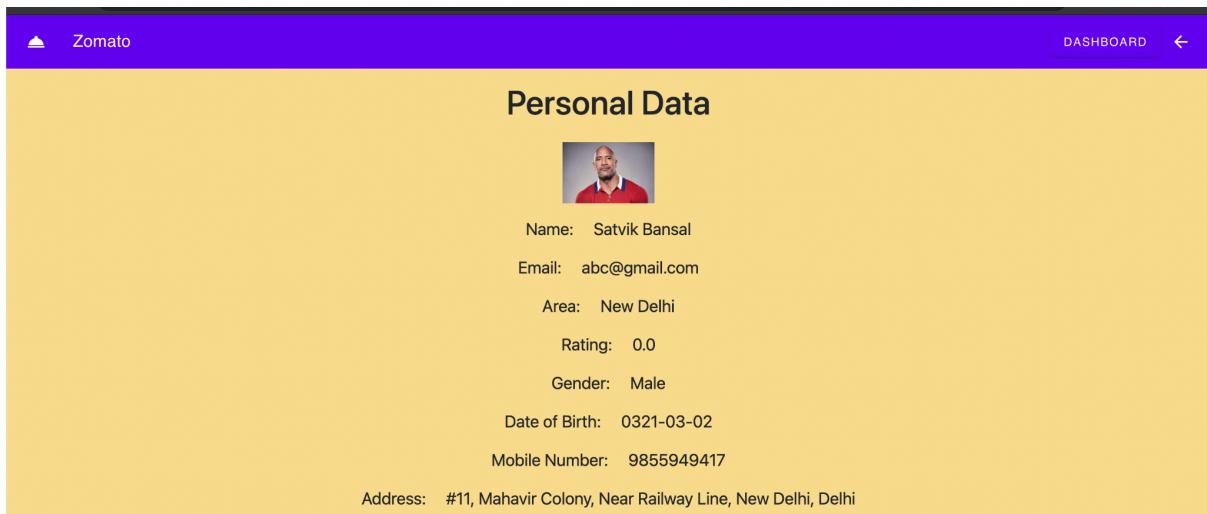

The screenshot shows a browser window for "localhost:5000/customerDashboard". The title bar says "Zomato". The main content area has a yellow background and displays "Welcome, Satvik Bansal" followed by "Customer". Below this, there are several buttons: "ORDER NOW", "PERSONAL DATA", "RECOMMENDED RESTAURANTS", "ALL RESTAURANTS", "PRESENT ORDERS", and "PAST ORDERS".

In the top banner, a logout button is shown, in order to log out from the session. The user should be redirected to the login page after logging out

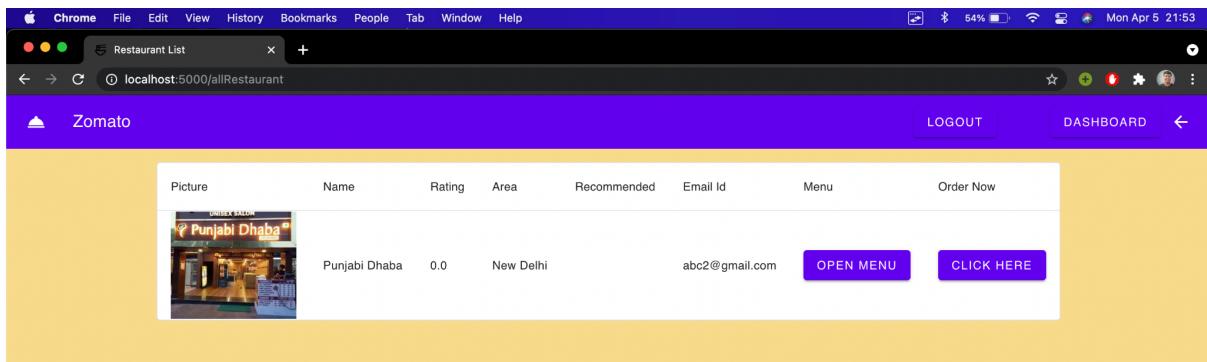

Personal Data

When the personal data button is clicked, the user should be able to see a list of some of the details of themselves. The image is the one uploaded at the time of signup.

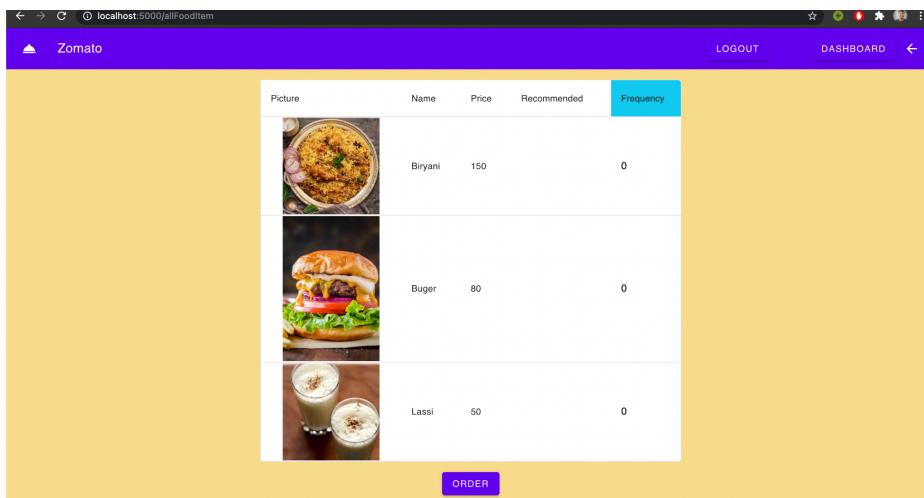

Order Now, View Menu

The buttons “Order Now”, “All Restaurants” redirects to the same page that should show the user of all the restaurants. The table will show some of the basic details about the restaurant. Recommended restaurants will also be shown in the list.

A screenshot of a web browser window titled "Restaurant List" on "localhost:5000/allRestaurant". The page has a purple header with the Zomato logo, "LOGOUT", and "DASHBOARD". Below the header is a table with columns: Picture, Name, Rating, Area, Recommended, Email Id, Menu, and Order Now. A row for "Punjabi Dhaba" is shown, featuring a thumbnail of the restaurant's exterior, the name "Punjabi Dhaba", a rating of "0.0", the area "New Delhi", the email "abc2@gmail.com", and two buttons: "OPEN MENU" and "CLICK HERE".

After clicking the “open menu”, or the “click here” button, the menu created by the restaurant should be shown.

A screenshot of a web browser window titled "localhost:5000/allFoodItem". The page has a purple header with the Zomato logo, "LOGOUT", and "DASHBOARD". Below the header is a table with columns: Picture, Name, Price, Recommended, and Frequency. Three items are listed: Biryani (Price 150, Frequency 0), Burger (Price 80, Frequency 0), and Lassi (Price 50, Frequency 0). Each item has a thumbnail image. At the bottom of the table is a blue "ORDER" button.

The table will show the image of the item, the name, price, recommended status and the quantity that needs to be ordered.

If the quantity is left at zero(or untouched) the item will not be shown in the order created. After clicking the button “Order”, the order details should be shown. Details of the offer selected should be there on the details.

Update Status

ACCEPT REJECT

On rejection of the order, the order successfully moves to past order.

A screenshot of a Firefox browser window showing the Zomato restaurant dashboard. The title bar says 'Activities Firefox Web Browser' and the address bar shows '127.0.0.1:5000/pastOrder'. The main content area is titled 'Past Orders' and displays a table with one row:

Customer Name	Price	Current Status	More Details
Satvik Bansal	860	Rejected	<button>DETAILS</button>

Restaurant was able to see the details of the past order.

The screenshot shows the Zomato restaurant dashboard with the URL 127.0.0.1:5000/orderDetailRestaurant1. The page displays a past order from Satvik Bansal to Punjabi Dhaba. The order items are listed in a table:

Name	Price	Frequency	Total Price
Biryani	150	4	600
Buger	80	2	160
Lassi	50	2	100

Below the table, there is a summary row:

Base Cost	Discount	Delivery Charges	Total to Pay
860	100	50	810

On clicking present orders, after the customer has given an order the restaurant was able to see the order.

The screenshot shows the Zomato restaurant dashboard with the URL 127.0.0.1:5000/recentOrderRestaurant. The page displays a present order from Satvik Bansal with a price of 2280. There is a button to "Update Status".

Customer Name	Price	Current Status	Update Status
Satvik Bansal	2280	Accept/Reject	DETAILS

Restaurant was able to see the details of the order.

The screenshot shows the Zomato restaurant dashboard with the URL 127.0.0.1:5000/orderDetailRestaurant1. The page displays an updated order from Satvik Bansal to Punjabi Dhaba. The order items are listed in a table:

Name	Price	Frequency	Total Price
Biryani	150	8	1200
Buger	80	6	480
Lassi	50	12	600

Below the table, there is a summary row:

Base Cost	Discount	Delivery Charges	Total to Pay
2280	0	50	2330

The page also includes an "Update Status" section with "ACCEPT" and "REJECT" buttons.

On acceptance of the order, the restaurant was mandated to give the estimated time.

The screenshot shows a Firefox browser window with the title bar "Activities Firefox Web Browser" and the tab "Get Estimated Time". The URL in the address bar is "127.0.0.1:5000/updateStatus0Accept". The page has a purple header with the Zomato logo and a "DASHBOARD" link. The main content area has a yellow background and features a form titled "Give Estimated Time". It contains a text input field with placeholder text "Give Estimated Time*" and a "SUBMIT" button below it. The entire form is enclosed in a red border.

Restaurant gave a valid estimated time.

This screenshot is identical to the one above, but the text input field now contains the value "20". The rest of the interface remains the same, including the yellow background, the "Give Estimated Time" title, and the "SUBMIT" button.

Present order current status was updated successfully.

The screenshot shows a Firefox browser window with the title bar "Activities Firefox Web Browser" and the tab "Recent Orders". The URL in the address bar is "127.0.0.1:5000/recentOrderRestaurant". The page has a purple header with the Zomato logo and a "DASHBOARD" link. The main content area has a yellow background and features a table titled "Present Orders". The table has columns for "Customer Name", "Price", "Current Status", and "Update Status". A single row is shown with the data: "Satvik Bansal", "2280", "Accepted. Preparing Food", and a blue "Update Status" button. There is also a "DETAILS" button in the same row. The entire table is enclosed in a light gray border.

Customer Name	Price	Current Status	Update Status
Satvik Bansal	2280	Accepted. Preparing Food	Update Status

Restaurant was able to see the details of the order.

The screenshot shows a Firefox browser window with the URL `127.0.0.1:5000/orderDetailRestaurant1`. The page is titled "Offer Details" and features a "Zomato" logo. It displays an email header with "From: Satvik Bansal" and "To: Punjabi Dhaba". Below this is a table of order items:

Name	Price	Frequency	Total Price
Biryani	150	8	1200
Buger	80	6	480
Lassi	50	12	600

Below the table is another table showing costs:

Base Cost	Discount	Delivery Charges	Total to Pay
2280	0	50	2330

A large button labeled "Update Status" is present, with a sub-button "FOOD IS PREPARED" highlighted in blue.

After food is prepared and restaurant can look for delivery agents.

The screenshot shows a Firefox browser window with the URL `127.0.0.1:5000/updateStatus1`. The page is titled "Food Prepared" and features a "Zomato" logo. It has two main buttons: "NEARBY DELIVERY AGENT" and "SEND DELIVERY REQUEST".

On clicking nearby delivery agent, it directs to a list of delivery agents in the area.

The screenshot shows a Firefox browser window with the URL `127.0.0.1:5000/nearbyDeliveryAgents`. The page is titled "Restaurant List" and features a "Zomato" logo. It displays a table of delivery agents:

Name	Rating	Area	Mobile Number	Email Id
Rahul Kumar	0.0	New Delhi	9876543210	abc3@gmail.com

A "SEND DELIVERY REQUEST" button is located below the table.

On clicking send delivery request a delivery request was sent to all the delivery agents in the area and present order current status was updated successfully.

A screenshot of a Firefox browser window showing the Zomato restaurant dashboard. The title bar says 'Activities Firefox Web Browser' and the address bar shows '127.0.0.1:5000/recentOrderRestaurant'. The main content area is titled 'Present Orders' and displays a table with one row:

Customer Name	Price	Current Status	Update Status
Satvik Bansal	2280	Food is Prepared	<button>DETAILS</button>

After a delivery agents accepts the order the current status of the present order current status updates successfully.

A screenshot of a Firefox browser window showing the Zomato restaurant dashboard. The title bar says 'Activities Firefox Web Browser' and the address bar shows '127.0.0.1:5000/recentOrderRestaurant'. The main content area is titled 'Present Orders' and displays a table with one row:

Customer Name	Price	Current Status	Update Status
Satvik Bansal	2280	Order Accepted by Delivery Agent	<button>DETAILS</button>

Restaurant was able to see the details of the order.

A screenshot of a Firefox browser window showing the Zomato restaurant dashboard. The title bar says 'Activities Firefox Web Browser' and the address bar shows '127.0.0.1:5000/orderDetailRestaurant'. The main content area shows order details for Satvik Bansal to Punjabi Dhaba:

From: Satvik Bansal
To: Punjabi Dhaba

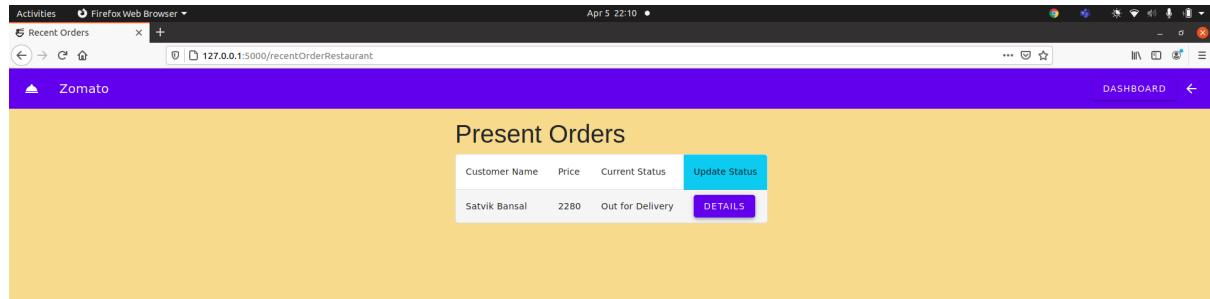

Name	Price	Frequency	Total Price
Biryani	150	8	1200
Buger	80	6	480
Lassi	50	12	600

Base Cost	Discount	Delivery Charges	Total to Pay
